**Steven Dudley**  
President  
Highfields RSL Sub Branch  
HIGHFIELDS QLD 4352

*Dear Mr Dudley*

I am the commander of the team that recently deployed from Borneo Barracks, Cabarlah to Afghanistan as a part of Operation Slipper. I would like to take this opportunity to thank your committee and the members of the Highfields RSL for the generous donation of care packages to the soldiers of the team. I can say on behalf of the team that these were very well received. The members of my team have shared these packages with the Infantry soldiers that they support, resulting in an increased bond between the two elements.

I understand that Warrant Officer Donna [REDACTED] has already composed a letter thanking you for your support, including the supply of poppies for ANZAC Day. I am sure that this ANZAC Day will hold a special significance for my soldiers and I, and your assistance will make it that much more special for us.

We all look forward to the time when we can share a beer with the committee and members of the Highfields RSL Sub Branch.

*Yours sincerely*

*T. [REDACTED]*
