Dear Highfields Members,

Please accept my thanks on behalf of the Special Operations Task Group for taking the time to organise parcels for our soldiers serving here in Afghanistan.

The outpouring of support for our personnel from home all year round has been most humbling and the packages are always greatly appreciated.

The packages never fail to increase the morale of my troops and make the conditions in Afghanistan that little bit more bearable.

Thank you again for your generous contribution.

Regards,

J.G. [redacted], DSM and Bar
Lieutenant Colonel
Commanding Officer
Special Operations Task Group
