

## COMBINED TEAM URUZGAN

MULTI-NATIONAL BASE – TARIN KOT  
URUZGAN, AFGHANISTAN

12 Apr 2012

Dear Steven,

On behalf of the soldiers from 7<sup>th</sup> Signal Regiment and the Mentoring Task Force, I would like to thank the committee and members of the Highfields RSL for the care packages we recently received. The packages were met with surprise and great appreciation both here on Multi-National Base - Tarin Kowt and at the remote outposts. It was like watching children open up Christmas presents with quite a bit of bartering over the woollen caps, crossword books and food occurring.

I would also like to pass on my heartfelt appreciation to Mr Al Taylor and your committee in ensuring we received the poppies in time for ANZAC Day. This was such a lovely gesture and I have arranged to have the names of our boys who have been killed in action written on each of the cards provided. A lot of their mates are back here for a second and third tour and they will be the ones writing a personalised message on each card and laying the poppies during the wreath laying ceremony.

Once again thank you. We all look forward to seeing you and the committee members for a beer or two upon our return to Cabarlah. We will certainly be "Keeping our heads down and our powder dry".

Kind regards,

Donna [REDACTED]  
Warrant Officer Class Two  
Combined Task Force – Uruzgan  
Tarin Kowt
